Cattlemen To Meet And Eat February 7

Roscoe Braddock, president of the Palm Beach County Cattlemen's Association has mailed a special letter to all cattlemen asking them to attend the annual meeting on Thursday, Feb. 7 at the Community building in Canal Point at 6:30 o'clock. Parts of the letter follows:

"This is the most important meeting of the year and our officers will be elected at this time.

"Dinner will be served followed by a short program and a square dance for your enjoyment.

"The meeting is opened to all cattlemen of Palm Beach County and any guests they may desire to bring. There will be a small charge of \$1.00 per plate.

"The annual dues for the association membership will be due and can be paid at this time, if desired. The membership in the Palm Beach County Cattlemen's Association is \$5.00 plus .03c per head for the cattle you run. As you will notice by the enclosed membership invoice, \$2.00 of this amount is for a subscription to the "Florida Cattlemen and Livestock Journal" for one year.

"We are all going to have a most interesting and enjoyable time at this meeting. Come and bring your ideas of improvement for your association.

"See you there.

Your friend truly,
Roscoe Braddock,
President."

Scout Troop 28 To Attend State Fair

A trip to the State Fair in Tampa is being planned by members of Pahokee Boy Scout Troop 28.

The Scouts and their scoutmasters will leave Pahokee at 8 a. m., Sunday, traveling by the way of Sarasota, where they will stop long enough to visit the Ringling Art Museum. From Sarasota they will head north and cross Tampa Bay over the scenic Sunshine Skyway to St. Petersburg for a visit at the famous Webb City drug store.

The suburban home of Mr. and Mrs. Bill Swilley near Tampa will be the headquarters for Troop 28 during its stay on the West Coast. After pitching camp on the back lawn of the Swilley home Sunday evening, the Scouts as a group will attend the worship service at the MacDill Avenue Church of Christ.

On Monday The Scouts will enjoy the Gasparilla Pirate Festival and Tuesday, Children's Day at the Fair, their activities will be concentrated at the midway where reduced fares to rides and shows will prevail for the day.

If time permits two or three educational tours of places of interest in Tampa are being planned before the return home Tuesday evening. Troop 28 voted the visit last year to the State Fair as its best activities field trip of 1956.

Betty Jo Phillips is confined to her home this week with the measles.

Blue Devils To Meet The Rams

The Pahokee High Blue Devils basketball teams will be host to the Belle Glade Golden Rams at a double-header in the local gym this Friday night.

The Blue Devils showed improved form in defeating the Stuart Tigers, 45-39, in the local gym Tuesday night. With Center Howard Pugh pacing the Blue Devils scoring Pahokee racked up a comfortable 19-3 lead by the end of the first quarter and kept ahead of the Tigers all the remainder of the game. The Blue Devils are now enjoying their first winning streak of the season, having won their last three games, and will be out this Friday night to make it four victories in a row.

In the B team game Tuesday night Stuart edged Pahokee, 42-40.

Revival To Start Nazarene Church

The Church of the Nazarene in Pahokee announces a revival starting on Tuesday, Feb. 5 and continuing through Sunday of that week.

Rev. John W. Turpel, a man of varied and lengthy experience in the work of the church and who has entered the field as a full time evangelist, will conduct the services, according to the pastor, Rev. Charles F. Crauswell.

After attending Eastern Nazarene College, where he received his theological diploma, Mr. Turpel entered the pastoral ministry in Montgomery, Vermont.

Mr. Turpel was ordained as elder in the Church of the Nazarene in 1918. Since that time he has held pastorates in Massachusetts and Maine and has served as home-missions evangelist in the Maritimes for twenty years, where he was instrumental in the organization of several Nazarene churches. He has also spoken in zone rallies, district assemblies, and camp meetings, and served as a trustee of Eastern Nazarene College for several years.

Bailey Will Move To W. Palm Beach

Announcement by C. A. Bailey, former Pahokee resident and now a realtor in Belle Glade, that he and Mrs. Bailey plan to move to West Palm Beach came as a surprise to his friends in this area where he has lived for a quarter of a century. He pointed out, however, that he plans to continue in the real estate business from his new location in West Palm Beach and that his son, Bill, will take over the Belle Glade office.

COMMITTEE REPORTS

President O. H. Sheppard called for reports from standing committee chairmen at the Monday dinner meeting of the Canal Point Lions Club. Following the meeting the Lions went over to the lake front and cleaned the new concrete boat ramp which they had built recently as a club project. It was necessary to remove a quantity of small rock and sand that had been deposited on the ramp by wave action.

Proposed Laws To Get Group Study

The county Commission this week outlined its policy in connection with proposal legislation and ruled that all acts which are drawn for county sponsorship must be ready by Feb. 8.

Legislative Chairman Paul Rardin said that all legislation which will be presented by the board, will be submitted to the county's legislative delegation when it meets in West Palm Beach on Feb. 15. No last minute proposal will be considered, the board ruled.

The board also agreed not to sponsor any special district bills unless the acts are first endorsed by officials of municipalities located within the proposed districts.

The board also urged any towns, districts, public officials or individuals who are considering legislative proposals, to have all bills written and in the hands of the legislative delegation by Feb. 8 in order that Sen. F. O. Dickinson and Reps. Emmett Roberts and Ralph Blank, Jr., will have an opportunity to study the issues before they are presented at the regular legislative clinics.

The county delegation has scheduled a number of clinics in February and March when they will receive and discuss proposed legislation.

Meantime, County Commissioner Paul Rardin, chairman of the board's legislative committee, has called a meeting of county officials for Friday to review and discuss the commission's legislative program.

Methodists Plan Laymen's Revival

The Brotherhood of the First Baptist Church in Pahokee will conduct a Laymen's Revival February 17-22. Services each night at 7:30 p. m. will feature a different Lay Speaker from the local church. Special music by the men each night.

The Sunday School Teachers and Officers meeting with C. A. Batchelor, Supt., was held Tuesday of this week. The Junior Dept. with Forance Unwin, Supt., won the Efficiency Banner for the month of January. The 5 yr. old Beginners Dept., with Mrs. Lila Myers, Supt., received the Attendance Banner for the same period. Attendance goals were set for February and plans for an Inside Census to be taken on February 10th were made. A new unit was added to the Nursery last week. Mrs. Wendell Harris is Supt. of the new unit, which is the Three Year Old Dept.

Two more Sunday evenings will complete the Pastor's Sermon series from the Book of Romans. Through January the Church has studied this book, the Pastor preaching and teaching from it on Sunday and Wednesday evenings.

The Ordinance of Baptism will be observed at the Worship Hour this coming Sunday Morning.

The Executive Committee of the Training Union in meeting this past week made plans for a Training Union feature in the Worship (continued on page 8)

Dr. Forsee Speaks To Pahokee Lions

Dr. W. T. Forsee, a member of the research staff at the Everglades Experiment Station, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Gene Pennington, program chairman, the speaker explained the part the Everglades Experiment Station, with its endless research work in experimental agricultural, has played in the development of improved farming techniques in the Glades area.

L. M. Collins and Edward A. Jensen were reinstated as members of the Club.

A discussion of the proposal that the Lions Club sponsor an information booth for visiting motorists was led by Duncan Padgett, J. H. Wilkinson, Jr., first vice president, presided.

Keen And Kledzik On Red Cross Board

The 40th Annual meeting of the Palm Beach County Red Cross was held in the Everglades Club, Palm Beach, Jan. 29th at 8 o'clock p. m. with E. L. Reddy, chapter chairman presiding. Reports were given concerning the activity of the local chapter for the past year and new board members were appointed.

Elected to the Board from Pahokee were: Manning I. Keen, and Mrs. R. L. Kledzik. From South Bay, Mrs. W. C. Allen.

The county fund campaign chairman, Frank Quigby reported on the coming fund campaign. The well attended meeting was entertained by the Belle Glade choir, and the program was given by Junior Red Cross members. Dr. Samuel Lindsay, pastor of Royal Poinsettia Chapel gave an inspirational address.

Following the annual meeting a special Board of Directors meeting was held at which time George Preston was elected County Chapter chairman for the coming year.

Funeral Services For Geo. J. Bender

Graveside funeral services were held Tuesday afternoon in Boca Raton for George J. Bender, 42, son of Mr. and Mrs. Guy Bender of Belle Glade. Young Mr. Bender died suddenly in Jacksonville Sunday morning from a heart attack.

Besides his wife, Mrs. Roberta Bender, he is survived by three children; one brother, Guy J. Bender, Jr.; three sisters, Mrs. Edward Walsh, Atlantic City, N. J.; Mrs. Roy Alspaugh and Mrs. Edward Gilbert, White Plains, New York. He was a veteran of World War II.

Must Clean Harbor To Guard Health City Council Told

The Pahokee City Council in regular session Monday night studied a written communication from Ben O'Neal, sanitation engineering director for the Palm Beach County Health Department, to Mayor F. S. (Dick) Parrish in which O'Neal stated that the city must take immediate steps to improve sanitation facilities at Pahokee Harbor in the interest of public health. Mayor Parrish was authorized to contact K. C. Mock, consulting engineer on harbor problems, and Mr. O'Neal and ask them to meet with the Council in special session to discuss the harbor sanitation problem in all of its aspects in order that the best possible solution may be worked out.

A resolution was adopted giving public notice to property owners on Carissa Drive that the city is preparing to build a new sidewalk on this street and the entire cost of the walk, estimated at between two and three dollars a running foot, will be met through assessment of adjoining property, payment to be made to the city in three installments.

The Council accepted the bid of the Orange State Oil Company to furnish the city an eight-month supply of gasoline and oil for use in city-owned motor vehicles, the contract to start Feb. 1.

It was voted to relieve Graham Parham of his duties as relief man for the waterworks and police department. (continued on page 8)

Doctors Will Aid In Polio Work

Doctors in the Pahokee-Canal Point area have joined other doctors in the Glades in an all out effort to see that Saulk polio shots are made available to all who need them. During the week of Feb. 15-22 the doctors will give the shots to all at a special reduced price of \$3 per shot. On Friday night, Feb. 22, the doctors will be in their offices from 7 p. m. until 10 p. m. so that folks, who otherwise might not be able to take the shots, will be able to do so after working hours.

This move on the part of area doctors is worthy of commendation and is only another step on their part to do those things which are for the betterment of the community. The average resident doesn't know the actually free welfare work that doctors do in this section of Florida. They are always in the forefront when the needy are to be taken care of without pay. Day in and day out they move regularly about their task of attending the sick, going about their duties unheralded and unsung, nevertheless a highly important cog in the machinery of any community.

Mr. and Mrs. Ollie Cochran of Columbus, Ga., and his mother, Mrs. Hattie Cochran of McLean, Miss., visited their cousins, Mr. and Mrs. Leo Maxwell and family and Mrs. Nola B. Smith in Pahokee the past week.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A decision to speed up plans for a new Palm Beach County jet airport was voted by the county commission this week following a conference with Civil Aeronautics Administration engineers in Miami. The commission, for several months, has been working on plans for a new airport west of West Palm Beach which will be designed

to handle jet plane traffic; serve as a modern industrial area and house military operations.

Last week, revised plans for the airport drawn by County Engineer Steve Middleton and his staff, were given a favorable reception by the CAA district engineers with a promise that the plans will be started through CAA channels for final approval.

The commission voted to speed up plans in order to take advantage of federal aid which will be used to help finance purchase of land needed for the port. It is hoped that necessary land can be purchased this year. Commission Chairman Kenneth Foster said.

Middleton, in a report to the commission, said the CAA is sending an engineer here this week to make an on-the-site inspection of the proposed location of the port. A definite location cannot be pinpointed, the engineer said, until CAA approval has been given to proposed plans.

In reviewing the growth of aviation in Palm Beach County, Middleton told the commission that since 1948, rate of traffic increase here has been higher than the national average. In 1948 he said, 15,561 passengers boarded planes here; in 1956 the total was 74,764. By 1960, CAA estimates that passenger totals will reach 136,000 and by 1970 reach 236,000.

Commissioner Foster said the board is proud of Middleton and his engineering staff which has been commended by the CAA for the manner in which airport plans have been drafted and presented.

Rogers Has Bill To Study Squeeters

Congressman Paul G. Rogers announced that he has today introduced into the House of Representatives a bill to provide for further research and technical assistance required for the control of mosquitoes.

This bill is designed to establish a program to encourage cooperative activity by the State and local governments with that of the Federal Government in the control of mosquitoes and other related pests. Congressman Rogers stated that the bill, if enacted, called upon the Secretary of Health, Education and Welfare, through the Surgeon General's Office, to establish a policy and program of aiding and supporting by direct grants technical study and research carried on by State Health Departments having proper facilities and personnel, by other qualified research organizations, for the purpose of devising methods for the control of mosquitoes and providing grants to aid States in the conduct of demonstrations for the purpose of developing methods for the control of mosquitoes, and to provide Federal technical facilities to aid the States in their local mosquito research and control programs.

Congressman Rogers further stated that the bill called for an appropriation to the Department of

Health, Education and Welfare a sum not to exceed \$3 million during the first fiscal year beginning July 1, 1957.

STYLE SHOW

WEEKI WACHEE SPRING — Plans for a sub surface summer swim suit style show on Feb. 3 are being developed at Weeki Wachee Spring with the entire event being held underwater.

Mermaids who regularly perform in the sub surface shows will serve as models. The styles will be the 1957 line by Ganthier.

CARD OF THANKS

When friends first meet...

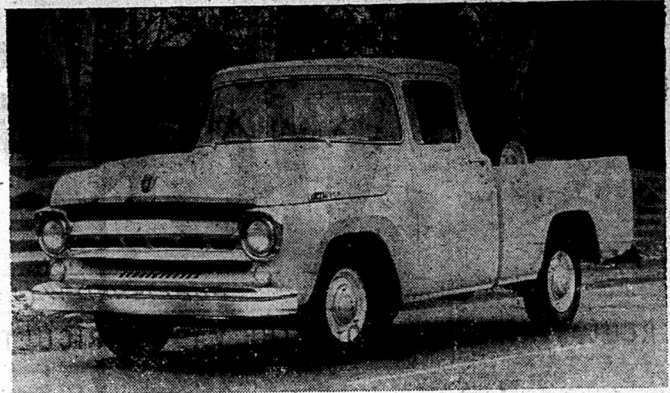

You may not know it, little one, but you and your telephone are going to be real friends, all your life. You'll be able to call upon your phone to help you do a thousand-and-one things. And it will respond by bringing other friends to you . . . and by making your life easier and more pleasant.

Where earlier generations saw the telephone as a modern miracle, you'll come to take its faithful service for granted. Yet, as you grow, you'll see many new developments — even now taking shape — that will make your friend, the telephone, more than ever a part of better living.

PASSENGER CAR STYLING comes to the trucking business in Ford's 1957 Style-side Pickup. It typifies revolutionary changes in new Ford trucks which Ford dealers display February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1957 Ford line which ranges upward to huge extra heavy duty models.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Boy Scouts Mark 47th Birthday

ONWARD ★ ★ ★ For God and My Country

OFFICIAL BOY SCOUT WEEK POSTER

More than 4,500,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders throughout the nation will observe Boy Scout Week, February 6 to 12, marking the 47th anniversary of the Boy Scouts of America.

Since 1910, Scouting has served over 26,000,000 boys and adult leaders. Through its Four-Year Program, "Onward for God and My Country," the organization seeks to train more boys in patriotism and character so that they will

become intelligent citizens with an appreciation of the free way of life and a dedication to high spiritual ideals.

Boy Scout Week observances will feature preparation for the Fourth National Jamboree, which will find 50,000 Scouts and leaders camping where Washington camped at historic Valley Forge, Pennsylvania, next July 12 to 18. The nation's 111,000 Scout units will feature rededication ceremonies on February 8, the actual birthday of Scouting in America.

Other new officers installed by Mrs. Marie Hughes, installing officer, were Linda Sellers, worthy associate advisor; Gwen Bracewell, charity; Susan Johnson, hope; Nancy Thomas, faith; Brenda Carter, recorder; Elizabeth Humphries, treasurer; Jerry Upthegrove, chaplain; Trena Vandegrift, drill leader; Virginia Lee Crossman, love; Harlene Williams, religion; Jane Ryals, immortality; Martha Sellers, nature; Joan Todd, fidelity; Janet Upthegrove, patriotism; Kay Hughes, service; Judy Cunningham, confidential observer; Dorothy Ezell, outer observer; Helen Sheppard, musician; Johnnie Oliver, choir director.

Mrs. Florence Keen was installed mother advisor and Mrs. Marie Hughes, associate mother advisor. J. V. Thomas, Mrs. Jennie McKinstry, Mrs. Judy Sapp, Mrs. Sadie Barwick and Mrs. Edna Barrett were inducted members of the OES Advisory Board.

All of the officers were presented with corsages especially made for the occasion by Mrs. Frank Friend. Helen Sheppard, immediate past worthy advisor, was presented with a pin. Mrs. Rachel Harrington, now worthy matron of the Pahokee Chapter 184, Order of Eastern Star, was introduced and presented with a corsage.

The Rev. Wayne Owens, pastor of the Pahokee First Methodist Church, delivered an address to the Assembly immediately following the installation ceremony.

Mr. and Mrs. Curtis Russom, parents of the new worthy advisor, were hosts during the serving of refreshments at the close of the meeting.

Governor To See Citrus Exposition

WINTER HAVEN — Governor LeRoy Collins is expected to discuss citrus and general Florida agricultural problems when he meets here with Secretary of Agriculture Ezra Taft Benson and Florida's Commissioner of Agriculture, Nathan Mayo, Friday, Feb. 13 as a part of the "Florida Agriculture Day" feature of the Florida Citrus Exposition.

The Governor has reshuffled a tight schedule of meetings and appearances to allow him to visit the citrus show, Winston Lawless, FCE president, said recently.

"The meeting of Governor Collins, Secretary Benson and Commissioner Mayo should result in pointing up some of the problems such as water resources, spreading decline, the Med fly and the expansion of our export market for Florida citrus," Lawless said.

Lawless said the Governor, Benson and Mayo would be presented to a nationwide TV audience on the Garry Moore (CBS) show Friday morning, which runs for 90 minutes over the entire network. Moore is bringing his daily shows along with his Wednesday night "I've got a Secret" panel show to the Exposition beginning Monday, Feb. 11.

This is the first time in seven years of TV broadcasting that Moore has "gone remote," taking his show out of New York.

SALAD MAKERS

Friday night January 25, there were 35 4-H Club demonstrations. Janette Harrington and Betty Johnson participated, with the making of a tomato, egg, and cottage cheese salad. No ribbons were awarded to any group, and this team placed in the top four.

A new poetry magazine has gone on sale in Peiping featuring 18 poems in the ancient Chinese style. Sales should be brisk. Peiping radio says the poems are those of Chairman Mao Tze-Tung, boss of Red China.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

partments effective immediately because of unsatisfactory service to the city. Police Chief Leon Guthrie and Waterworks Superintendent Robert J. Schroder were authorized to hire a new relief man on a temporary basis until their selection is approved by the Council.

The Murphy Cabinet Shop was authorized to build two 3 by 3-foot tables and one 3 by 12-foot table with attached seats at a cost of \$120, this outdoor furniture, complete with waterproof checkers, to be placed in the patio of the Civic Center. Mayor Parrish was asked to make arrangements for the purchase of two oak tables and eight chairs for the Pahokee Public Library and have the library shelves stained and painted at a cost of \$218.

In response to a request by Owen Rogers, the Council voted to take legal steps for abandoning an alley in the Salvatore Addition in colored town, relinquishing easement rights back to Mr. Rogers, the owner.

Waterworks Superintendent Schroder was authorized to negotiate with W. M. (Frenchy) Johnson in regard to Johnson's request to connect a private line to the city water main for furnishing city water to the Streamline community southeast of Pahokee. Schroder was given permission to purchase a four-inch disk water meter for servicing the new Coca-Cola bottling plant on East Main St., and to extend a waterline from the main at

the Farmers State Market southward to the Seven-up Bottling Company warehouse.

The Council, upon motion by Councilman Loren Meredith, voted to extend a public apology to the farming firm of McClure and Hurdley and associates for the offending manner in which the firm was asked by the Council to replace the royal palm trees alleged to have been run down by the firm's farming equipment along the right-of-way of Ba-com Point Road.

It was voted to accept the city audit as presented by the William B. Rhodes of Belle Glade.

City Clerk Patsy Batchelor was instructed to inform the County Board of Public Instruction by letter that the city is installing new playground equipment on school-owned land in the city park on Ba-com Point Road.

New Air Strip In The Bahamas

MIAMI — Sports fishermen, especially bonefishing enthusiasts, should welcome the news that a new airstrip will be officially opened at Andros Town on Andros Island in the Bahamas, Feb. 1.

Direct flights from Miami will be made via Bahamas Airways, a B.O.A.C. subsidiary, with schedules that will permit sportsmen to fly over for a day or a week end of unrivaled sports fishing in the famed game fishing waters of this area. Guides and charter boats are available at the Andros Yacht Club. Negotiations are under way with Mackey Airlines for direct service to Andros from Palm Beach and Ft. Lauderdale.

Valentine Party By The Sororities

The annual St. Valentine's Dance of the Beta Sigma Phi Sorority, sponsored jointly by the Xi Alpha Mu and Beta Omicron Chapters, will be held in the Recreation Hall of the Pahokee Elks Lodge Saturday night, Feb. 9, according to plans announced at a meeting of the Xi Alpha Mu at the home of Mrs. Earl Maxson in Canal Point.

Mrs. R. R. Long and Mrs. Charles Wilkinson are serving as co-chairmen in charge of arrangements for the dance, together with Mrs. T. W. Knight and Mrs. W. K. Aldridge, ways and mean chairmen, and Mrs. W. D. Howard and Mrs. C. S. Davis, official hostesses.

The group also made plans to attend a performance of the musical comedy, "The Pajama Game," at the Dade County Auditorium in Miami Saturday afternoon, Feb. 2.

Mrs. O. H. Chastain, chairman, gave members assignments in the local Mothers' March on Polio which is sponsored by the Beta Sigma Phi. Mrs. E. D. Sims, Jr., was named chapter historian. Mrs. D. W. Cunningham gave a review of the Beta Sigma Phi manual.
